64742-88-7	solvent naphtha medium aliphatic	10 to 100	10 to 100	5.0958	↓5.27				

The change in the amounts of most substances used are due to the changes in production levels in 2014 compared to 2013. The reduction in dibutyl phthalate is due to formula changes implemented in January 2014 for cost savings.

Home Hardware Stores Limited, Beauti-Tone Paint & Home Products Division prides itself on the quality and effectiveness of its products. Over the past years, Home Hardware Stores Limited, Beauti-Tone Paint & Home Products Division has eliminated/reduced xylene, toluene and zinc use in some of its products through reformulation. Reformulation of products are considered wherever possible based on a variety of factors including OTR considerations, applicable regulatory requirements such as VOC regulations, product quality and customer requirements. Efforts will continue to be made in the future to eliminate or reduce the use of these substances in our facility as opportunities arise. Any such items and elimination/reduction, where technically and economically feasible, will be implemented and captured in our future annual plan updates.
