SIP AND SAVOUR: A HOLIDAY LUNCHEON FOR HOPE AND GIVING

Canadian Coatings Association

December 2, 2025

I'm pleased to extend warm greetings to everyone attending the Canadian Coatings Association's "Sip and Savour: A Holiday Luncheon for Hope and Giving."

This annual event is a meaningful way to celebrate the season while highlighting the values that define both the coatings industry and our communities—generosity, innovation and care for one another.

The Canadian Coatings Association's longstanding commitment to sustainability, safety and responsible stewardship continues to make a positive impact across Ontario and beyond.

As you gather to enjoy good food and good company, let's also take time to reflect on the importance of giving back and supporting those in need. Together, we can help build a more inclusive and compassionate province.

On behalf of the Government of Ontario, I wish you all a joyful holiday season and continued success in the year ahead.
